E² takes Entrepreneurship to the power of 2! Your commitment makes an exponential difference in the future of our youth and can take your sponsorship designation to a much higher power!

That power is the sum of the consecutive years you have sponsored E² including the number of years of your current commitment. For example: If you sponsored E² in the 2008-2009 season and commit to a 3-year sponsorship starting in the 2009-2010 season at the Chairman of the Board level, your designation will be **COB⁴**. Your level, in this case “COB”, is determined by your most recent annual commitment.
